The Auburn golf team is proud to have the finest golfing facilities for practice and competition of any college golf program in the country. With eight top-rated majestic courses, Auburn has every means possible for preparation.

The Tigers have the advantage to play any of the courses any day of the year. Golf is a 365-day a year event in the desirable and favorable weather conditions of Auburn.

AU Club at Yarbrough Farms

The city of Auburn, Alabama, is home to a 13-year-old golf club constructed by Auburn people for Auburn people, The Auburn University Club at Yarbrough Farms. The course opened in the fall of 1999 and hosted the opening stage of PGA Tour Q-School in 2009, 2010 and 2011.

The Auburn University Course also played host to the 2003 NCAA East Men's Regional and numerous PGA Qualifying School events over the years.

The Auburn University Club features an 18-hole championship golf course, state-of-the-art practice facilities and a full service clubhouse as well as office space for the Auburn University golf coaches and locker rooms for both the men's and women's golf teams.

On November 1, 2012, the NCAA announced Auburn University and the Auburn University Club would be one of six host sites for the 2014 NCAA Men's Golf Regional Championships.

Designer

Former Auburn golfer Bill Bergin designed The Auburn University Club at Yarbrough Farms. The four-time All-SEC selection and member of Auburn's 1981 SEC Championship team began his design career in 1990 under Bob Cupp, the 1992 Architect-of-the-Year.

Golf Course

Located off Shug Jordan Parkway, just north of campus, the Auburn University Club at Yarbrough Farms is situated on more than 200 acres of rolling wooded terrain. Endowed with outstanding natural amenities such as Yarbrough Lake, the 25-acre centerpiece of the property, and Saugahatchee Creek, which meanders along the 12th, 13th and 14th holes, the site is one of the top golf courses in the South.

At 7,326 yards from the back tees, the golf course carves through magnificent trees, across wetlands, along creeks and streams and around the lake. Natural and man-enhanced water features play a prominent role at The Auburn University Club as they blend throughout the property and are visible on 14 of 18 holes.

Designed with the intention of hosting an NCAA or other national championship, the course is a challenging yet playable for all levels of golfers. With subtly shaped Tift Eagle greens, surrounded by a balanced mix of chipping areas, bunkers and rough and fairways that roll and blend with the existing contours, The Auburn University Club at Yarbrough Farms is destined to become a distinguished addition to the Loveliest Village on the Plains.

Grand National

The 54-hole Grand National complex, part of the world-renown Robert Trent Jones Golf Trail, has two 18-hole par-72 courses and one 18-hole par-3 course. The Lake Course played host to the 2004 NCAA Women's Golf Championship and the 2000 NCAA Men's Golf Championship. It was also the site of the 1999 SEC Women's Golf Championship, 1998 LPGA Tournament of Champions, 1997 Nike Tour Championship, 1996 NCAA Women's Golf East Regional and the 1994 NCAA Men's East Regional.

The Links Course ranks as one of the most impressive tracks in the country. It played host to the 1997 SEC Men's Golf Championship. The 18-hole, par-3 course is a truly beautiful layout that allows Tiger golfers excellent practice on their iron and short game play. The driving ranges at The Trail courses are also a spectacle to see.

NICK CLINARD

HEAD COACH • FOURTH YEAR

Eleven-year head coaching veteran Nick Clinard enters his fourth season as head coach of the Auburn men's golf team. Under the direction of Clinard, the Tigers have earned nine team and nine individual titles while bringing in the strongest recruiting classes the Tigers have seen in years.

After two events in the 2011-12 season, Clinard saw his team earn the No. 1 ranking in the Coaches' Poll, marking the first time the Tigers topped the poll since its inception in 2001 and the first time Auburn received a No. 1 ranking since the fall of 1996.

Clinard's first three and a half seasons on The Plains made up the most successful three and a half year span in Auburn Golf history, with nine team wins and nine individual medalists. The Tigers won back-to-back titles at the Chris Schenkel Invitational in 2010 and 2011 while besting the field at the 2010 Jerry Pate National Intercollegiate. 2011-12 SEASON RECAP

The 2011-12 Auburn men's golf team completed one of the most successful seasons in Auburn history, finishing in the top-5 in 12 of its 13 tournaments. Auburn finished the season with three team victories and three individual wins.

The Tigers began the season with a win at the Carpet Capital Collegiate for its first opening season win since the 1978 season with a victory at the Alabama Intercollegiate. The Tigers were led by senior Will McCurdy and junior Dominic Bozzelli who finished tied for eighth at 3-under.

Following a tie for second at the Olympia Fields Invitational, Auburn was named the No. 1 team in the country by the Golf World/Nike Golf Coaches' Poll. The ranking marked the first time the Tigers have topped the poll since its inception in 2001 and the first time Auburn has received a No. 1 ranking since the fall of 1996.

The Tigers kicked off the spring season with their second victory of the season defeating Arkansas by 16 strokes at the Gator Invitational. Bozzelli, who won the U.S. Collegiate in October, become the first Auburn golfer in history to win back-to-back tournaments after carding an 8-under 202. Bozzelli defeated Florida's TJ Vogel by five strokes.

Auburn captured its third victory of the season at the Hootie at Bulls Bay where the Tigers shot a 10-under 854. Sophomore Niclas Carlsson won the individual title, the second of his career, after carding a 1-under 71 in the third round to finish at 5-under 211, one stroke ahead of Blayne Barber, who finished tied for second, and two strokes ahead of senior Will McCurdy, who finished in fourth.

For their efforts in the regular season, Auburn was awarded a No. 1 seed at the NCAA Greensboro Regional for the first time in school history. At the regional, Auburn had an incredible final four holes as it went 8-under par over that span to jump from seventh to finish third to qualify for the NCAA Championship, where the Tigers finished tied for 15th.

Five Auburn golfers earned All-SEC and NCAA All-Southeast Region honors for the 2011-12 season, including first-team Blayne Barber, second-teamers Will McCurdy, Dominic Bozzelli and Niclas Carlsson and All-Freshman Michael Johnson. The five All-SEC honorees is the highest ever in program history breaking the record of four players which was set in 2005.

Junior All-American Blayne Barber finished the campaign with a scoring average of 70.76, which snapped the 36-year old Auburn record that was set by Buddy Gardner in 1976. The Lake City, Fla., native finished the year with seven top-5 finishes including back-to-back second place finishes at the E-Z-GO Schenkel Invitational and the Hootie at Bulls Bay. Barber finished the season ranked No. 7 in the nation in the Golfweek/Sagarin Rankings and became the first Auburn golfer to be named a first team All-American since Chip Spratlin and Iain Steel in 1995.

AUBURN UNIVERSITY

Auburn's beautiful main campus--graced by greenery and open spaces and highlighted by historic Samford Park--is made up of 375 buildings spread across 1,875 acres. Buildings in the main campus area are within walking distance of each other. Residence halls are only a short walk from classrooms, dining and athletic facilities. Auburn is located in the Southeastern United States in east-central Alabama about 30 miles from the Georgia border.

- Auburn has been ranked in the top 50 of public institutions for the past 20 years by U.S. News & World Report and was placed 37th in the 2011 rankings. Auburn was also listed in Princeton Review's 2010 edition of "Best 371 Colleges" and "Best 301 Business Schools."
- Auburn invests in extensive national assessments to obtain quality, data driven information for measuring and continually improving instruction and student preparation.
- More than 92 percent of our students and more than 95 percent of our alumni say that if they could start college over again, they would choose Auburn.
- A 2005 Harvard survey ranked Auburn as one of the top six colleges and universities in the country as a place for young faculty to work, which has a lot to do with actively engaging students.
- Auburn is the only university in the country to offer an undergraduate degree in wireless engineering, and the first in the Southeast to offer degrees in software engineering.

- Auburn's Draughon Library is the largest library in the state, with 2.9 million volumes. The library subscribes to 19,000 journals and 256 electronic databases, provides library instruction and tours to students, prospective students and parents, and serves as an instructional resource for faculty.

Auburn faculty and alumni are world-class achievers in practically every arena. Here are just a few examples:

- AU has graduated more than 210,000 students since it began in 1856. Currently, we have more than 202,000 alumni living around the world.

DID YOU KNOW?

Auburn was named No. 2 place to live in the country by U.S. News and World Report in its 2009 rankings

One of the state's fastest growing cities, Auburn has a population of about 53,000. An adjacent twin-city, Opelika, has a population of about 30,000. Atlanta, Ga., is only 100 miles to the northeast via Interstate 85; Birmingham is 100 miles to the north via U.S. 280 or I-85/65; Montgomery is 50 miles to the east via I-85; and the Gulf beaches are about 200 miles away. The university enjoys the advantages of security, seclusion and clean air and water. Auburn is a clean city with a mild climate that offers many cultural opportunities.

AUBURN TRADITIONS

Auburn's Eagles

For over 100 years, eagles have been associated with Auburn University's football program. From a static presence on the sidelines to rousing flights over the field, WAR EAGLE has become an Auburn icon.

The role of Auburn University's eagles is to promote wildlife conservation as a part of the education initiatives of the U.S. Fish & Wildlife Service and the College of Veterinary Medicine's Southeastern Raptor Center. The USF&WS permits the Raptor Center to house eagles and use them on hundreds of educational presentations each year – including Auburn's home football games. Currently, three flighted eagles and numerous other non-releasable raptors are used for these educational programs. Eagles stir emotions in many people as they have come to symbolize strength, power and courage as well as other important values such as freedom, American heritage and the preservation of our environment. Golden Eagles Tiger (War Eagle VI), Nova (War Eagle VII) and Spirit (a Bald Eagle) are the eagles who have inspired football fans with their graceful flights over Jordan-Hare Stadium.

Auburn Fight Song

War...Eagle, fly down the field,
Ever to conquer, never to yield.
War...Eagle fearless and true.
Fight on, you orange and blue.
Go! Go! Go!
On to vic'try, strike up the band,
Give 'em hell, give 'em hell.
Stand up and yell,
Hey! War...Eagle, win for Auburn,
Power of Dixie Land!

"WAR EAGLE"

Auburn's battle cry, not Auburn's nickname. There are several legends concerning the origin of the War Eagle battle cry, dating back to 1864 and the Civil War at the Battle of the Wilderness in Virginia.

Auburn Alma Mater

On the rolling plains of Dixie
‘Neath its sun-kissed sky,
Proudly stands, our Alma Mater
Banners high.

To thy name we’ll sing thy praise,
From hearts that love so true,
And pledge to thee our
Loyalty the ages through.

We hail thee, Auburn, and we vow
To work for thy just fame,
And hold in memory as we do now
Thy cherished name.

Hear thy student voices swelling,
Echoes strong and clear,
Adding laurels to thy fame
Enshrined so dear.

From thy hallowed halls we’ll part,
And bid thee sad adieu;
Thy sacred trust we’ll bear with us
The ages through.

We hail thee, Auburn, and we vow
To work for thy just fame,
And hold in memory as we do now
Thy cherished name.

Auburn Creed

I believe that this is a practical world and that I can count only on what I earn. Therefore, I believe in work, hard work.

I believe in education, which gives me the knowledge to work wisely and trains my mind and my hands to work skillfully.

I believe in honesty and truthfulness, without which I cannot win the respect and confidence of my fellow men.

I believe in a sound mind, in a sound body and a spirit that is not afraid, and in clean sports to develop these qualities.

I believe in obedience to law because it protects the rights of all.

I believe in the human touch, which cultivates sympathy with my fellow men and mutual helpfulness and brings happiness for all.

I believe in my Country, because it is a land of freedom and because it is my own home, and that I can best serve that country by “doing justly, loving mercy, and walking humbly with my God.”

And because Auburn men and women believe in these things, I believe in Auburn and love it.

- George Petrie (1945)

Dr. Jay Gogue President

Jay Gogue began his tenure as Auburn University's 18th president on July 16, 2007.

The Waycross, Ga., native is a two-time Auburn graduate in horticulture, receiving a bachelor's degree in 1969 and a master's in 1971. In 1973, he earned a doctorate in horticulture from Michigan State University.

Shortly after returning to his alma mater, Gogue engaged the talent and insight of the Auburn family toward development of a dynamic and forward-looking strategic plan to guide the University for the future. Students, alums, employees, business leaders and other stakeholders contributed to a roadmap that will strengthen Auburn's academic, research and outreach mission, improve operational efficiency and develop human capital.

Gogue arrived at Auburn with ample experience in the top ranks of academia. He was selected president of New Mexico State University in 2000 and, in 2003, named president of the University of Houston and chancellor of the University of Houston System.

Gogue worked for the National Park Service from 1973 to 1986, rising to the position of chief administrative scientist for several regions of the U.S. Park system. He began his distinguished career in higher education administration in 1986 as associate director of the Office of University Research at Clemson University, where he also served as vice president for research and vice president/vice provost for agriculture and natural resources. Utah State University selected Gogue as provost in 1995.

Gogue met his wife, Susie, in the 8th grade, and they married during their undergraduate years at Auburn. Susie also earned two Auburn degrees. They are the proud parents of three children and have two grandchildren.

He is a member of Phi Kappa Phi and Golden Key honor societies, Sigma Chi Fraternity, Sigma Xi scientific research society and the National Society of Scabbard and Blade, the honorary military society for all branches of service. Gogue previously served as an accreditation reviewer for the Pacific Northwest Association of Schools and Colleges.

Jay Jacobs Director of Athletics

Auburn Director of Athletics Jay Jacobs has a vision of leading Auburn Athletics to becoming the nation's preeminent Athletics Department.

In his tenure at the helm of the Tigers' program, the department has prospered athletically, academically and financially. Under Jacobs' leadership, Auburn Athletics has made major strides benefitting Auburn student-athletes, coaches and fans. The department has focused on five strategic goals under his leadership: Winning, graduating student-athletes, managing the department's fiscal affairs, complying with SEC and NCAA rules and providing a positive game day experience.

The Auburn Athletic Department has consistently ranked in the top 10 percent of the NACDA Directors Cup and has claimed eight national championships under Jacobs, including a school-record four titles in 2005-06, along with 15 Southeastern Conference titles. Academically, Auburn has earned six public recognitions by the NCAA for scoring in the 90th-100th percentile nationally in the Academic Progress Rate (APR).

Jacobs served as the Senior Associate Athletics Director for Tigers Unlimited prior to his appointment as Director of Athletics and has initiated several successful business ventures for the Athletics

Department, including a lucrative contract with Under Armour Performance Apparel, which was extended in 2009, and a nine-year extension with multimedia rights holder ISP Sports. During Jacobs' tenure, Auburn has also moved forward with numerous facility projects designed to benefit Tiger athletic programs and their fans, most notably, the construction of the \$92.5 million state-of-the-art Auburn Arena and basketball practice facility opened prior to the 2010-11 season. The most recent facilities upgrade will be a \$16 million multipurpose 100-yard indoor practice facility that will allow Auburn teams to practice indoors during inclement weather.

Jacobs was named Auburn's 14th Director of Athletics on Dec. 22, 2004, after working in almost every area of the Auburn Athletic Department for the previous 20 years. Jacobs earned his undergraduate and master's degrees in business administration from Auburn in 1985 and 1988, respectively, and was a member of the Auburn football team, earning two letters as an offensive tackle in 1982 and 1983.

He is married to the former Angie Sapp of Dublin, Ga. The couple has three daughters, Haley, Meagan and Jayne.
